GOLF COURSE

Designed by golf legend Jimmy Hines, the par-72, 6,728-yard championship golf course is known for its beautiful setting and impeccable conditioning. What sets the course apart from other courses is the unique setting for golf in the desert with mature oak trees and pine trees lining the fairways. The length, layout, and individual features of each hole, the unique contour of each putting surface, the positioning of the fairways and bunkers combine to create a challenging, visually striking and enjoyable setting for golf. The course is playable for golfers of all ability levels, providing multiple tees and strategy options.

GARDEN DINING ROOM AND BAR

The Garden Dining Room and Member's Bar are favorite gathering places and popular for their casual and social atmosphere. Here Members may dine before teeing off, get a snack at the turn or simply rejuvenate after their golf round while having a cocktail of their choice with friends and family. Choose seating on the spacious patio or inside the Garden Dining Room, with its wall of windows, for beautiful views of the driving range, first tee-box, and other portions of the course.

MAIN DINING ROOM

Parties, Social Events, Private Functions, and Meetings are all held in the Main Dining Room at the Avondale Clubhouse, the most unique in the valley. Camaraderie abounds during all the events that take place here, be they elegant or casual. The main floor and bar are one room and simply separated by a level of a few steps which helps segregate cocktail hour and dinner. What makes the Main Dining Room so unique is its 20 foot elevation and panoramic view overlooking a vast majority of the tree lined course with a background complimented by the Santa Rosa Mountains. To enjoy a more intimate outside experience of the view of the course you can step out on the Main Dining Room Patio which runs about 100 degrees right to left.

THE LOOKOUT

No other course in the valley can boast a nearly 360 degree panoramic view of the valley from 40ft up, east to the Santa Rosa Mountains all the way to the north and the Little San Bernardino. Here Members and their guests can spend an evening experiencing the social atmosphere of a cocktail lounge while watching the game of the day, listening to soft music, joking with friends and making new ones.

SOCIAL EVENTS

Members enjoy a full calendar of social events ranging from our signature Welcome Back and Adios parties, Ladies Club charity luncheon, annual golf cart parade of lights and holiday reception, monthly live entertainment events, and themed dinners such as Taco Tuesdays, Pub and Pasta Thursday's, and Family Style Friday Dinners including Prime Rib and Baby Back Ribs. In addition, Avondale provides a welcome place for activities such as Men's Poker, Ladies Bridge and Gin Rummy, paint night, drive in movies and private parties. TESTIMONIALS

We moved to Avondale several years ago and were immediately welcomed into the Avondale family. We were drawn to the breathtaking golf course which was lush and lined with mature trees offering shade and comfort from the desert sun. The course proved to be a fun yet challenging golfing experience always leaving us looking forward to the next round. Since then the course has provided a daily source of fun and sport and the family has grown into friendships that will last a lifetime.

The welcoming members and the staff at Avondale Golf Club made us feel right at home. We have been here nearly 3 years but were welcomed and included in events from the beginning. Barb especially enjoys the golf course and that women can play just about any time. The staff in all areas of the club are friendly and very helpful. One favorite event is “Sundowners” on Sunday afternoons where we have been teamed with 2 other couples for a 9 hole shotgun and dinner. Another is the Thursday afternoon scramble in the summer which ends with all participants gathering at a member’s home for a potluck and awarding the winners of the day’s event. We are happy that we are part of such a great community.

Jon and I joined Avondale 15 years ago when we were both still working. We have since “retired” and have grown with the Club. Avondale has always had an embracing quality. The people – We have developed lifetime friendships that transcend the times we are not here. The club employees – They are always amazingly friendly, caring and respectful. The golf course – It is a beautiful course, challenging but fair. We love it! Avondale is a small club; a huge plus – easily joinable golf games every day for both ladies and guys of all abilities and comfort levels. Fantastic bar and food service with attention to special tastes. We wouldn’t go to any other club and it doesn’t have anything to do with affordability. Our quality of life means everything to us and Avondale has given us that quality!

When we found ourselves looking for something more than the public/semi-private golf experience, we checked out a few private clubs, but felt like outsiders at those clubs. Then we checked out Avondale. We called and set up a round of golf to check out the facility. What blew us away was the friendly atmosphere everywhere we went. From the pro shop to the restaurant, throughout the entire club, everyone was so hospitable. Avondale was what we were looking for: a “golf club” and the clincher was the fact that each of us had a game available every day of the week, i.e.; Toss-up, Choose-up, Noon group, Sundowners, Horseraces, you name it. Within a couple of months, we knew nearly every member at the club. Joining Avondale was the best decision we could have made, and after 24 years, we’re still here and loving it!
